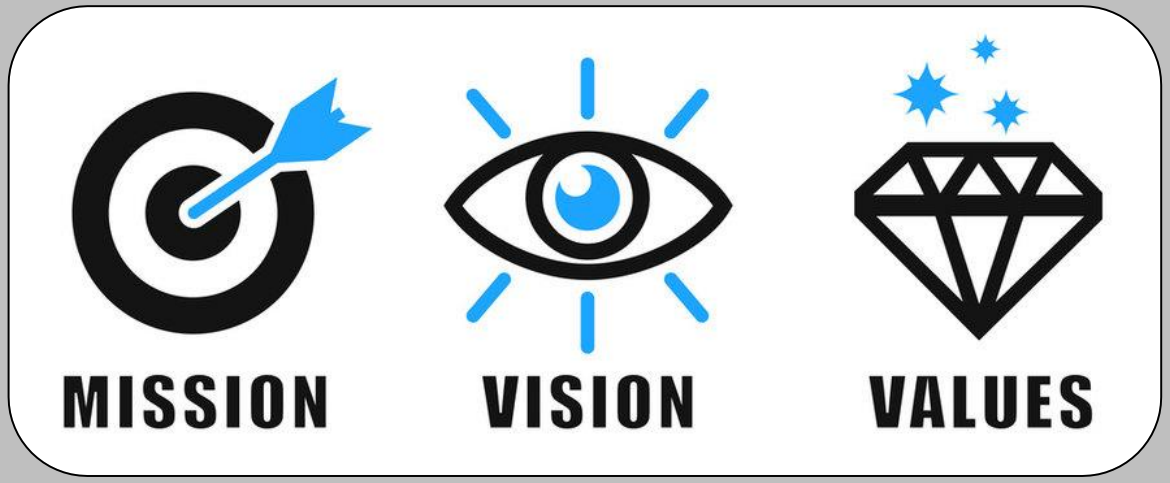
Canadian Society For Pharmaceutical Sciences
Young Scientist Network

Annual General Meeting - September 2023

YSN
Canadian Society For Pharmaceutical Sciences
Young Scientist Network

About the YSN

As **trainee** members of CSPS (Canadian Society for Pharmaceutical Sciences) the Young Scientist Network (YSN) primarily represents **graduate students** from across **Canada** with an interest in **pharmaceutical science.** We seek to foster the professional development of our members, enhancing our **education** and preparing each other for post-graduate careers. Additionally, our goal is to **expand** the footprint of **pharmaceutical sciences** in both the **industry** and **academic** sectors throughout **Canada**.



YSN
Canadian Society For Pharmaceutical Sciences
Young Scientist Network

Structure

The YSN was founded in **2018** at the CSPS annual symposium. The YSN is a **voluntary trainee-led** initiative that host a variety of events facilitating networking amongst trainees and professionals.
