

### **CSPS Award of Leadership in Canadian Pharmaceutical Sciences**

This award is bestowed upon an individual who has demonstrated leadership in advancing the cause of pharmaceutical research and development in Canada. Priority is given to:

- Leadership in activities aimed at advancing Canadian pharmaceutical sciences.
- Activities that bring recognition to Canada as an important place to carry out pharmaceutical research and development.
- Discoveries or significant advances in pharmaceutical sciences that identify Canada as its place of origin.

For 2023, the award will include complimentary registration to attend the 2023 CSPS Annual Symposium being held May 24 to May 26, 2023 in Toronto, ON. The recipient is invited to give a CSPS Award lecture at the Symposium, and will receive travel and accommodation reimbursement up to \$1,500 CDN (receipts required) should they present.

Nominations should include a letter of nomination, up to two letters of reference, and curriculum vitae of the nominee.

Please email this package to CSPS Secretariat at [csps@intertaskconferences.com](mailto:csps@intertaskconferences.com).

**Deadline for submissions: February 17, 2023**
