CSPS Award of Leadership in Canadian Pharmaceutical Sciences

This award is bestowed upon an individual who has demonstrated leadership in advancing the cause of pharmaceutical research and development in Canada. Priority is given to:

- Leadership in activities aimed at advancing Canadian pharmaceutical sciences.
- Activities that bring recognition to Canada as an important place to carry out pharmaceutical research and development.
- Discoveries or significant advances in pharmaceutical sciences that identify Canada as its place of origin.

For 2024, the award will include complimentary registration to attend the 2024 CSPS Symposium being held June 10 to June 13, 2024 in Edmonton, AB. The recipient may be invited to give a CSPS Award lecture at the Symposium.

Nominations should include a letter of nomination, up to two letters of reference, and curriculum vitae of the nominee.

Please email this package to CSPS Secretariat at csp@intertaskconferences.com.

Deadline for submissions: March 1, 2024
