## CSPS EARLY CAREER AWARD

### Purpose:

To recognize outstanding research achievements and contributions of pharmaceutical scientists, working in Canadian academia, industry, government or research institutes, in their first seven years following their graduation from a doctorate program.

### Award:

For 2023, the award will include complimentary registration to attend the 2023 CSPS Annual Symposium being held May 24 to May 26, 2023 in Toronto, ON. The recipient is invited to give a CSPS Award lecture at the Symposium, and will receive travel and accommodation reimbursement up to \$1,500 CDN (receipts required) should they present.

### Procedures for Nominating Eligible Candidates:

- Candidates shall be nominated by at least two CSPS members.
- The nominees shall indicate willingness to let their names stand.
- The nominators shall submit a covering letter and complete current curriculum vitae of the nominee.
- The candidate's curriculum vitae must clearly state the date of graduation.
- The nominators shall also submit with the application three letters of reference.
- Reference letters from the nominators are accepted.

Letters of Nomination should include the curriculum vitae of the nominee and be emailed to CSPS Secretariat at [csps@intertaskconferences.com](mailto:csps@intertaskconferences.com).

Deadline for submissions: **February 17, 2023**
